Newman College Students – *Mullewa 2018,*

Please accept the belated sincere thanks and appreciation from the Mullewa Wildflower Show Committee. After reviewing Mullewa's 2018 Wildflower season and visitor numbers to the show, it appears that the 2018 Mullewa Wildflower Show has been one of the biggest and most successful to date.

The Mullewa Wildflower Show Committee would like to extend thanks all those students involved with the on-ground support with the set-up, smooth operation throughout the show and clean-up. Without this level of support from students the Show would not have been able to achieve this level of success.

We hope to continue to build this positive working relationship into the future, as our volunteers and community are very appreciative of the Newman College Students' effort.

Kind Regards,

Mullewa Wildflower Committee 2018.
