LET YOUR LIGHT SHINE MATTHEW 5:16

It is with great pride that we celebrate being part of the Newman College community. Newman College is a Catholic School educating in the Marist tradition. The College exists to provide a co-educational learning centre for Pre-Kindergarten to Year 12 students. We strive to animate our delivery of learning, teaching and wellbeing, as one which is innovative and creative, underpinned by contemporary and relevant pedagogy.

Our Vision for Learning 'Shine through Discovery' – Let your light shine (Matthew 5:16) inspires our faith and learning community to Challenge, Collaborate, Create and Celebrate who we are and what we seek to achieve.

The scripture passage Let your light shine (Matthew 5:16) encapsulates our aspiration for our community to let their gifts and talents shine, represented through the image of the light. It is this light that will guide our students to personalised learning pathways that will give them the very best opportunity to be successful lifelong learners and agents of change.

We congratulate the Class of 2018 who have embraced their project #challengeyear12. Their success is evidenced not only by the significant growth in results, but in their contribution to the life of the College.

We wish the graduates of 2018 every success in their future endeavours. They will forever be valued members of our Newman College community.

John Finneran, Principal

YEAR 12 2019 COMMITMENT

The Class of 2019 will strive to achieve success and live out the cohort's motto of #uniteyear12 which will push us to grow closer as a year group and allow us to form a sense of unity. We aspire to reach new heights in academic and practical aspects by creating a positive learning environment where all students can feel comfortable in expressing their values, gifts and recognise the importance of unity as we journey through our final year of High School.
