Singapore Student Immersion

2 November – 9 November 2019

Newman College recognises the challenge and importance of creating resilient, global thinkers; students who are agile, collaborative and embracing of the demands of the 21st Century.

Inspired by the College's Vision for Learning, an international partnership with Republic Polytechnic Singapore has been established. As leaders in the pedagogical practice of problem-based learning, we are pleased to offer successful applicants from Years 9 and 10 an intensive learning immersion.

As a result of participating in the Singapore learning immersion, students will:

- Develop their 21st Century skills in critical thinking and real-world problem solving,
- Develop as global citizens and how to collaborate with young people from different cultures,
- Gain an appreciation for the excitement of a global industry learning hub.

Challenge — Collaborate — Create — Celebrate
