

Dear Parents and Guardians

An invitation is extended to you to participate in the improvement of Newman College through our next Strategic Plan 2020-2022.

As was highlighted in the last newsletter, Newman News, on 25 October, we have an external facilitator attending the College this Thursday and Friday to consult with our community to elicit feedback about areas of improvement.

This is the opportunity for the voice of our parents and guardians to impact the future strategic direction of the College. The sessions scheduled include:

Thursday 7 November	9.00am	Champagnat Chapel, Ministry Space (Marcellin Campus)
	6.00pm	Marist Auditorium, Studio Room (Marcellin Campus)
Friday 8 November	9.00am	Library (Marian Campus)

** Light refreshments will be provided*

Attendance is voluntary. Please [click here](#) to RSVP.

Newman College is governed by Marist Schools Australia. As a congregational owned and operated school, the development of our Strategic Plan is integral to our growth as a school locally and our position within Marist Schools Australia nationally. Our current Strategic Plan has been the foundation for significant change and school improvement agenda over the last 4 years. Our key strategy has been in the alignment of a PK-12 College as exemplified by the development and implementation of the Vision for Learning - *Shine Through Discovery* Let your light shine (Matthew 5:16), and the implementation of the College's Ministry Plan.

We very much look forward to receiving your contribution.

Yours sincerely

John Finneran
