LET YOUR LIGHT SHINE MATTHEW 5:16

It is with great pride that we celebrate being part of the Newman College community. Newman College is a Catholic School educating in the Marist tradition. The College exists to provide a co-educational learning centre for Pre-Kindergarten to Year 12 students. We strive to animate our delivery of learning, teaching and wellbeing as one which is innovative and creative, underpinned by contemporary and relevant pedagogy.

Our Vision for Learning, *Shine through Discovery – Let your light shine* (Matthew 5:16) inspires our faith and learning community to **Challenge, Collaborate, Create** and **Celebrate** who we are and what we seek to achieve.

The scripture passage *Let your light shine* (Matthew 5:16) encapsulates our aspiration for our community to let their gifts and talents shine, represented through the image of the light. It is this light that will guide our students to personalised learning pathways that will give them the very best opportunity to be successful lifelong learners and agents of change.

We congratulate members of the Class of 2019 who have embraced their project #uniteyear12. Their success is evidenced not only in their results, but in their contribution to the life of the College.

We wish the graduates of 2019 every success in their future endeavours. They will forever be valued members of our Newman College community.

YEAR 12 2020 COMMITMENT

The Class of 2020 will strive to be exemplars of our #2020Vision through Newman College's four principles; Challenge, Collaborate, Create and Celebrate. We seek to rise to the challenges that confront us both academically and socially, and to collaborate both as a cohort and a PK-12 school community. We commit to creating a culture within where participation, school pride and the Marist characteristics of Presence, Simplicity, Family Spirit, Love of Work, and In the Way of Mary are lived out among our day to day lives. We will come together to celebrate individual and collective achievements and to bring importance and excitement towards our final chapter of Catholic Education at Newman College.
