

Dear Parents and Guardians of students in Pre-Kindergarten and Kindergarten

Thank you for being part of our Marist family and for your support of our Early Childhood learning program this term. The purpose of this communication is to provide an update on our approach to school fees in Term 2 for families in Pre-Kindergarten and Kindergarten.

### College Fees - Pre-Kindergarten and Kindergarten, Term 2

In recognition of the value of the face to face elements of Pre-Kindergarten and Kindergarten, our teachers will be undertaking to provide the highest quality Remote Learning experience for our Pre-Kindergarten and Kindergarten students. Considering the limitations that this may present, the College is offering free tuition for Term 2. However, we encourage Pre-Kindergarten and Kindergarten children to continue to participate in the Remote Learning activities provided to maintain a sense of belonging to the Newman College community. It will enable your children to continue to grow and develop their relationship with their teachers in this formative time.

In recognition of the non-compulsory nature of these year groups, but with a commitment to continue to positively engage and influence your children, we offer the following concession to all families with students enrolled currently in Pre-Kindergarten and Kindergarten classes:

YEAR GROUPS	TERM 2	FINANCIAL IMPACT
<b>Pre-Kindergarten Single Day Program</b>	No charge	Pre-Kindergarten families will be credited \$850 (being 25% of the \$3,400 annual tuition fee – on a pro-rata basis)
<b>Pre-Kindergarten Two Day Program</b>	No charge	Pre-Kindergarten families will be credited \$1,600 (being 25% of the \$6,400 annual tuition fee – on a pro-rata basis)
<b>Kindergarten Program</b>	No charge	Kindergarten families will be credited \$645 (being 25% of the \$2,580 annual tuition fee). <i>This does not apply to Health Care Card Holders</i>

Our commitment is steadfast in delivering quality teaching and learning to your children. Should you have any queries, please do not hesitate to contact the College Finance Team [fees@newman.wa.edu.au](mailto:fees@newman.wa.edu.au). These changes will be automatically updated and direct debit arrangements adjusted. A revised statement will be issued to all families.

Yours sincerely

John Finneran
