

THE NEWMAN NEWSREEL IS VIEWA ENABLED

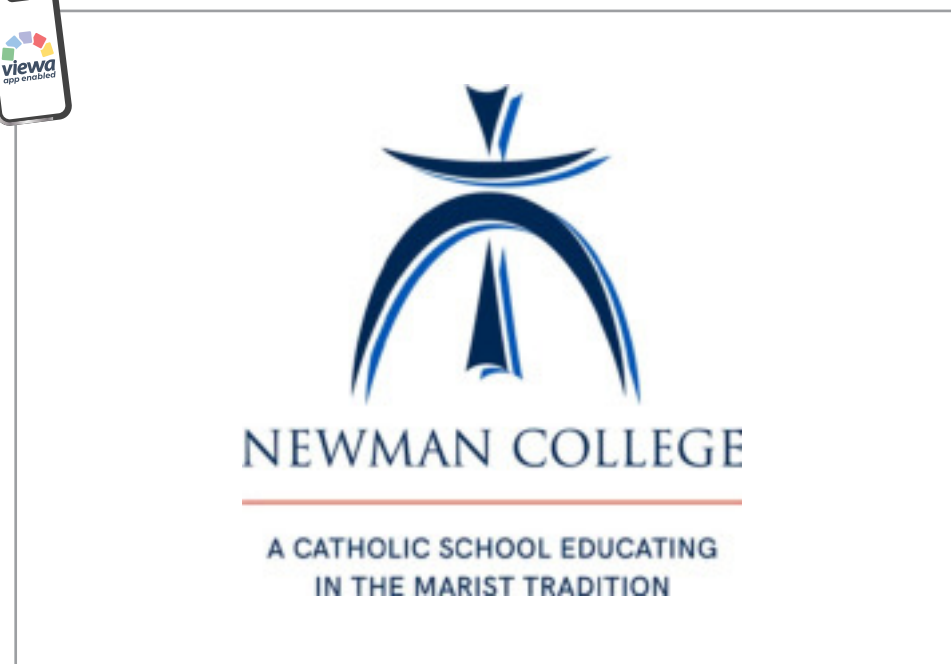

WHAT IS VIEWA?

Viewa is an app that uses the power of augmented reality (AR) to bring print to life. By scanning Viewa enabled pages, users can gain access to exclusive content and AR experiences.

HOW DOES IT WORK?

Viewa is able to use your phone's camera to view weekly videos which contain important information about upcoming events on the Marian, Lavalla and Marcellin Campuses. Using the app is fun and simple:

- 1 DOWNLOAD**
Open the App Store or Google Play, search for Viewa and download the app.
- 2 SIGN IN**
Create an account, sign in and customise your profile.
- 3 SCAN BROCHURE**
Scan the magnet with the 'Viewa app enabled' badge on it.

Scan any where you see the Viewa badge

WHAT CONTENT IS AVAILABLE?

Exclusive Newman College videos are available through the Viewa app. Download now via the App Store or Google play and start scanning!
