Warranty and Repairs

If any problems occur with the device or with the Windows 10 operating system (including damages) - bring the device to the Newman College ICT Department so they can properly diagnose the issue.

If the device requires repair or replacement, the ICT Department will advise the appropriate course of action.

If the Surface Pro 7 does require repair or replacement a loan device will be provided.

Please note: The 3 Year Microsoft Educational ADH warranty is only available for devices purchased via the Winthrop portal.

Frequently Asked Questions

Q: What kind of value does this deal represent?

A: The Surface Pro featuring Windows 10 Pro, plus Keyboard, Pen and ruggedized Cover represents good value. Retail options are typically quoted with Windows Home Edition does **not** include the 3-year accidental damage warranty.

Q: If parents want a more powerful model (i.e. more memory etc.) can they get that?

A: **Yes.** To get a more powerful Surface Pro model, Refer to the options on the portal.
