# Things you need to know

This guide has been prepared to help you plan your journey to school. It contains a general overview of the services that operate to and from Newman College.

Each service in this brochure is accurate as at the date on the cover, however, as changes are made to school services throughout the year, we recommend you [plan your journey](#) before travelling.

Transperth runs two types of bus services via Newman College: dedicated School Specials and regular Transperth bus Route 83.

## Dedicated School Specials

As the name suggests, dedicated School Specials are for schools only and can only be caught if you are heading to or from school. They will only pick students up when heading to a school and drop students off when departing a school.

To help you plan your journey, this guide contains a map for each School Special that travels via Newman College. School Specials 710, 715, 716, 717, 718 and 719 all travel there.

## Route 83

Route 83 services all members of the public, not just students. This route travels via Newman College and may be the best option for you.

## Planning your journey

While this guide will show you where bus services operate, to find out when they operate you will need to plan your journey. The best way to do that is by using the online [JourneyPlanner](#), or download the Transperth app.

If you are planning your journey in the school holidays, don't forget to change the date on the JourneyPlanner to a school day. If you are planning your journey at the start of the year, wait until two weeks before school starts for the most accurate results as we change services at the beginning of each year.

## Tracking your bus

You can use the Transperth app to track your bus or train in real time and see when it is due to arrive.

Download the app for [iOS](#) or [Android](#).

## Travelling with a Student SmartRider

All high school students are entitled to a [Student SmartRider](#), which gives you access to the student fare when travelling to school. The student fare is available on any trip Monday to Friday during the school year. You can continue to use your Student SmartRider outside of these times, however you will be charged the concession fare.

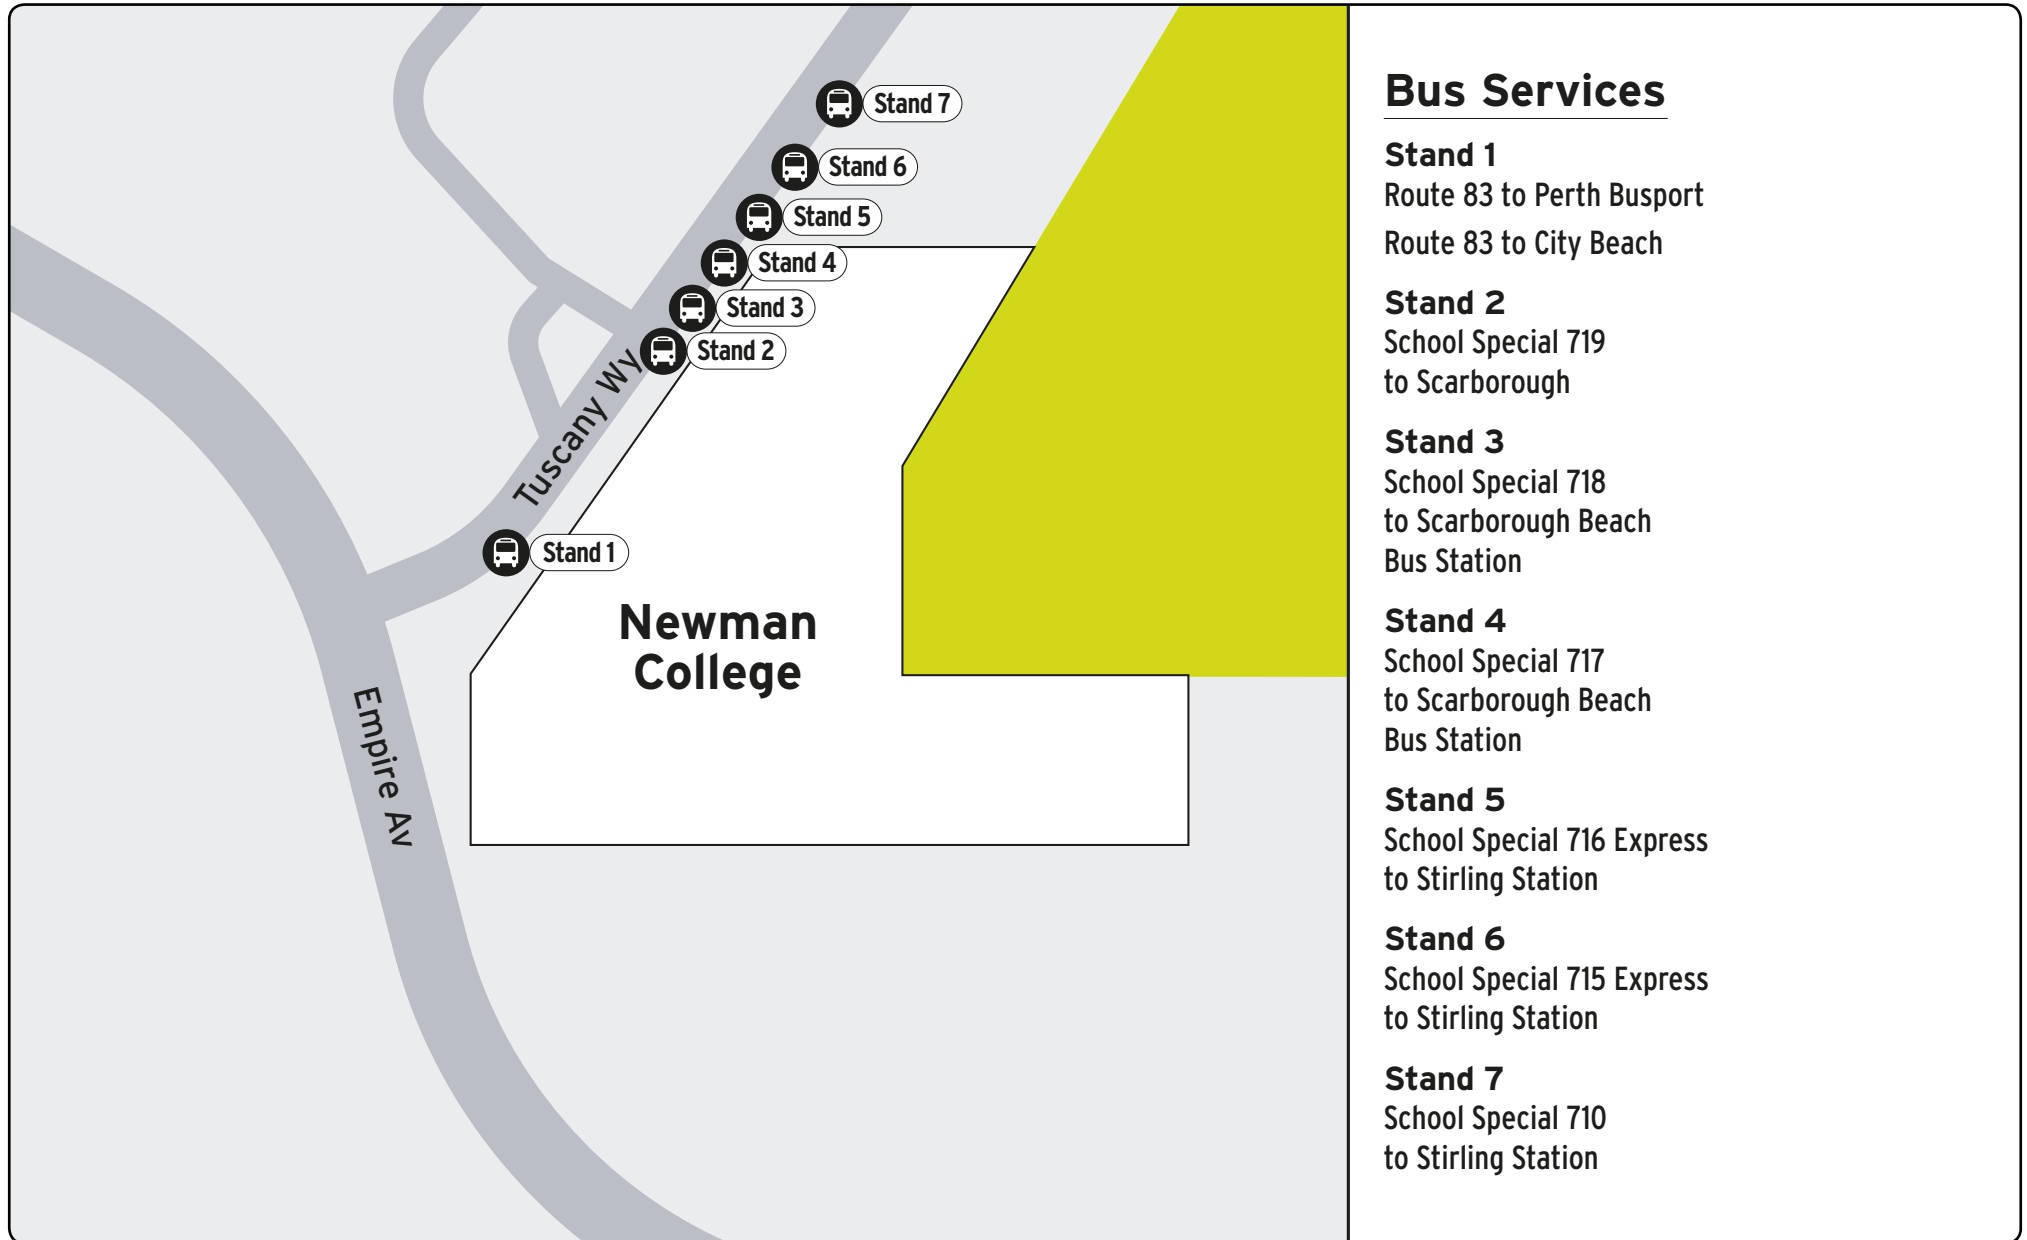

The student fare is only available if you have a Student SmartRider. If you don't have one or you forget your card you will need to purchase a concession cash ticket.

## Need a Student SmartRider?

SmartRiders are issued by the school at the beginning of the school year. If you need to order a replacement card, just visit [smartrider.monitorwa.com.au](http://smartrider.monitorwa.com.au)
