

The ySafe Impact...

Positively impacting your entire school community is vitally important to us. We assessed the effectiveness of our programs by collecting and assessing pre & post feedback from students, staff and parents. Here's what they had to say.

students

students reported feeling **less likely** to cyberbully after the session.

students reported that they believed all students their age **should receive ySafe education**.

of students displayed **increased knowledge** about safe online gaming.

INSPIRING

"I just wanted to thank you for telling me what to do. It has helped me so much. Some of the other kids are even sticking up for me now."

YR 7 STUDENT - MATER DEI COLLEGE

EMPOWERING

"This session has changed the way that I am talking about cyberbullying and bystanders."

TEACHER - SERPENTINE PRIMARY SCHOOL

"Engaging, interesting, and refreshing. ySafe's sessions are a much-needed departure from traditional cyber safety education. Instead, social media and cyber safety were addressed with a tech-positive approach, with an obvious focus on the social and behavioural experiences of the students. A perfectly pitched cyber safety talk."

TEACHER - SWAN VIEW SENIOR HIGHSCHOOL

staff

96% of teachers said they would recommend our session to other schools.

parents

of parents said they benefited from our session.

"I was at the parent session last night - it was the most useful and interesting presentation I have attended and provided the most sensible, practical and realistic advice that I have seen presented about any topic."

PARENT - WAVERLEY COLLEGE

INFORMATIVE

"You delivered the information in an entertaining manner and we really connected with you. I came away feeling like someone has our back."

PARENT - DUNCRAIG SENIOR HIGH SCHOOL
