

Dear Members of the Newman College Community

Re Principal Announcement

I am delighted to announce that Vice Principal, Lisa Fogliani, has been appointed Principal of Mercy College Koondoola, a Catholic Co-educational Kindergarten – Year 12 College of 1600 students. Lisa will commence at Mercy College 1 January 2021.

Congratulations to Lisa on being appointed to such a prestigious role.

Newman College has indeed been blessed to have had Lisa as an outstanding leader within its community for the past five years.

Lisa has epitomized the Marist Characteristics in her dealings with all members of the College Community. Her love of work is exemplified in the way in which she has carried out her role as Vice Principal and she will no doubt take this approach into her new role at Mercy College. Lisa is an outstanding leader of learning underpinned by the values of love, hope and faith. Her greatest attribute is her unconditional commitment to all people and her great love of the vocation of being present to young people.

On behalf of the College Community, I wish Lisa success and fulfilment in this next phase of her career. She will be sorely missed by the staff and students at Newman College. In the meantime, we look forward to having Lisa among us until the end of 2020 and to having the opportunity of farewelling her and acknowledging her significant contribution to Newman College at the end of the year.

The Vice Principal position at Newman College is a Marist Schools Australia appointment and the selection process for this role will commence in the coming weeks.

Yours sincerely

John Finneran
PRINCIPAL
