

Dear Members of the Newman College Community

Re Vice Principal Announcement

Following the appointment of Lisa Fogliani, as Principal of Mercy College from the commencement of 2021, the position of Vice Principal of Newman College was advertised.

From a strong field of candidates and following a rigorous interview process, I am pleased to announce the appointment of Ms Lucie McCrory to the Vice Principal role, from January 2021.

Lucie is currently Deputy Principal Teaching and Learning at Sacred Heart College and has held that position for the past five years. During that time Lucie has been responsible for several important initiatives to enhance the learning culture in the College and hence improve student learning outcomes. Lucie demonstrated in her application and interview that she is a passionate educator and is committed to excellence.

Prior to her role at Sacred Heart College, Lucie held a range of leadership roles at Mater Dei and was Assistant Deputy Principal at John XXIII College.

Lucie continues to engage in her own learning knowing that this will inform her work in educational leadership. She holds a Master of Education and is currently working towards completing a Doctor of Philosophy at the University of Notre Dame. Lucie also contributes to her wider community through her role as chair of the Board of St Luke's Primary school.

We congratulate Lucie on her appointment and look forward to welcoming her to Newman College next year.

Yours sincerely

John Finneran
PRINCIPAL
