About Us

Newman College is a Catholic PK–12 school educating in the Marist tradition, with an enrolment of approximately 1850 students. We are committed to fostering a vibrant, supportive, and future-focused learning environment. Our operations—spanning learning, wellbeing, and community engagement—are underpinned by professionalism, innovation, and contemporary practice.

At Newman College, you'll join a supportive, forward-thinking community grounded in the Marist tradition. We foster collaboration, professional growth, and a strong sense of community. Staff also enjoy an active social culture and access to onsite facilities, including the pool and weights room, to support wellbeing.

About the Role

We have an exciting opportunity for a dynamic and enthusiastic Teacher to join the College and teach Science to students in Years 7–12. A capacity to teach Year 11/12 ATAR Chemistry is required.

About You

The successful applicant will demonstrate a strong understanding of Science (including Chemistry ATAR) curriculum requirements and contemporary pedagogical practice. They will be committed to delivering engaging, inclusive, and high-quality learning experiences that support student growth, wellbeing, and faith development. The role requires a teacher who can work collaboratively within a professional learning community and contribute positively to the broader life of the College.
