

Enrolment Process

1.

INTEREST IN NEWMAN COLLEGE

Your journey with Newman College begins with an enquiry. This allows our team to connect with your family, answer any of your questions and ensure you receive important information about the College, upcoming events and enrolment opportunities. We invite you to experience what Newman College has to offer by attending one of our College tours.

2.

APPLICATION

When you are ready to take the next step, families are invited to submit an online application form. This provides us with important information about your child and your family. Our enrolments team will then begin the review process.

3.

WAITING POOL

Your application has been received and is currently being reviewed. Due to the strong demand for places and availability in relevant year groups at Newman College, interview invitations are extended to selected families. Those who do not receive an initial interview will remain in the waiting pool and reviewed as places become available.

4.

FAMILY INTERVIEW

Selected families are invited to attend an enrolment interview with a member of the College Executive team. This conversation allows us to get to know your child and family, share more about life at Newman College, and ensure the College is the right fit for your child's journey.

5.

OFFER

Following the interview process and review of applications, successful families will receive a formal offer of enrolment. This confirms that a place is available for your child to join the Newman College community.

6.

OFFER ACCEPTANCE

Once your family accepts the offer and completes the required enrolment documentation, together with the payment of an enrolment fee, your child's place at Newman College is confirmed. Our Enrolment team will then guide you through the next steps as your child prepares to begin their Newman College journey.

7.

WELCOME TO NEWMAN COLLEGE!

Your child is now part of our Newman College community, and we are delighted to begin this journey alongside your family as we prepare for the exciting years ahead.
