

It is with great pride that we celebrate being part of the Newman College community. Newman College is a Catholic School educating in the Marist tradition. The College exists to provide a co-educational learning centre for Pre-Kindergarten to Year 12 students. We strive to animate our delivery of learning, teaching and wellbeing as one which is innovative and creative, underpinned by contemporary relevant pedagogy.

Our Vision for Learning, Shine through Discovery - Let your light shine (Mathew 5:16) inspires our faith and learning community to Challenge, Collaborate, Create and Celebrate who we are and what we seek to achieve. The scripture passage Let your light shine (Matthew 5:16) encapsulates our aspiration for our community to let their gifts and talents shine, represented through the image of light. It is this light that will guide our students to personalised learning pathways that will give them the very best opportunity to be successful lifelong learners and agents of change.

We congratulate members of the Class of 2022 who have embraced their project #Unifiedinspiritandmindtheclassof2022foreveraligned. Their success is evident not only in their results, but in their contribution to the life of the College. We wish the graduates of 2022 every success in their future endeavours. They will forever be valued members of our Newman College community. The college is very proud of our students' efforts and determination. The excellent achievements were a significant way to mark the end of the Principalship of John Finneran, College Principal 2016 to 2022.

Dr Lucie McCrory, Acting Principal

YEAR 12 2023 COMMITMENT

With the common objective to leave a legacy of positivity and longevity, the class of 2023 strives to promote individual and communal excellence in all aspects of College life, in conjunction with the Marist characteristics of Simplicity, Presence, Love of Work, Family Spirit, and in the Way of Mary. Through responding to the Marist mission; Ad Jesus per Mariam (to Jesus through Mary), we seek to let our light shine, allowing us to connect more closely with one another, showing authenticity and respect in all that we do. Together in solidarity as a PK-12 community, we aim to embrace the four college principles; Create, Celebrate, Collaborate, and Challenge, as students are encouraged to immerse themselves in the opportunities accessible to them here at the College. The combination of strengths and bonds we have created throughout our time at Newman College, will allow the Student Leadership Team to positively influence College life, making 2023 the best year it can be.
