

It is with great pride that we celebrate being part of the Newman College community. Newman College is a Catholic School educating in the Marist tradition. The College exists to provide a co-educational learning centre for Pre-Kindergarten to Year 12 students. We strive to animate our delivery of learning, teaching and wellbeing as one which is innovative and creative, underpinned by contemporary and relevant pedagogy.

Our Vision for Learning, Shine through Discovery – Let your light shine (Matthew 5:16) inspires our faith and learning community to Challenge, Collaborate, Create and Celebrate who we are and what we seek to achieve. The scripture passage Let your light shine (Matthew 5:16) encapsulates our aspiration for our community to let their gifts and talents shine, represented through the image of the light. It is this light that will guide our students to personalised learning pathways that will give them the very best opportunity to be successful lifelong learners and agents of change.

We congratulate members of the Class of 2021 who have embraced their project #togetherasonein2021. Their success is evidenced not only in their results, but in their contribution to the life of the College. We wish the graduates of 2021 every success in their future endeavours. They will forever be valued members of our Newman College community.

## YEAR 12 2022 COMMITMENT

Our class of 2022 will strive to be exemplars of our college community through our personal vision for this year, 'Unified in spirit and mind, the class of 2022 forever aligned'. By drawing on our Marist characteristics; Presence, Simplicity, Family Spirit, Love of Work and In the Way of Mary, we seek to create a community wide culture, where students respect school pride and are inspired to actively participate throughout the PK-12 community. Our vision is reflective of the college's four principles; Challenge, Collaborate, Create and Celebrate, as we seek to rise to the challenges we will face this year and live each day as disciples of Christ. We encourage each student to commit to and be present in their studies and aspire for excellence both academically and socially as we Let our Light Shine. We look forward to creating a continual and impactful legacy, by celebrating our individual and collective success as we head towards our final year at Newman College.
