Parent Information Session: Occupational Therapist

We are delighted to extend a warm invitation to Marian families to attend an informative session hosted by occupational therapist, Helen Cooper from Gymworks OT. This session is designed to provide valuable insights into the role of occupational therapy in your child's development and education. Join us as we explore how occupational therapy can support your child's growth, enhance their learning experience, and address any challenges they may face. Helen will be available to answer any questions you may have and offer practical tips for fostering your child's development both at school and at home. We believe that by working together, we can create a nurturing environment where every child can thrive. We look forward to seeing you there!

Please RSVP through the form linked below:
