# Acknowledgement of Country

NEWMAN  
COLLEGE

A CATHOLIC SCHOOL  
EDUCATING IN THE  
MARIST TRADITION

Newman College acknowledges and pays respect to the past, present and future Traditional Custodians and Elders of this nation and the continuation of cultural, spiritual and educational practices of Aboriginal and Torres Strait Islander peoples.

Ancestors have walked this country and we acknowledge their special and unique place in our nation's historical, cultural and linguistic identity.

God, you gave us Marcellin Champagnat as a fine example of how ordinary people can do extraordinary things when they make use of the gifts they have been given.

In the same way, you expect us to use the gifts that you have given us so that we can make you present to the world.

Help us to invite you into our lives and to allow you to work through us to touch the lives of the people we meet and serve.

Amen

Mary Our Good Mother...*pray for us*

St Marcellin Champagnat...*pray for us*

St Mary of the Cross...*pray for us*

St John Henry Newman...*pray for us*

And let us always remember...*to pray for one another*

# THINKING THROUGH THE LEARNING CHALLENGE

**Easy Learning**  
This is easy. I think I know the answer. I am ready to make my first attempt.

**Deep Learning**

**Challenge**  
It's not as easy as I first thought. I keep finding problems with my first answer. Maybe my first attempt was beginner's luck?

**The Pit**

**Cognitive Conflict**  
There are so many things to consider. I'm so confused! I feel like giving up (but I won't).

**Construct**  
I'm starting to make sense of all of this. It feels great to be able to create an even better answer. I'm starting to get the hang of this now.

**Eureka!**  
Wow, that was great. Now I feel as if I really understand it. I can do this!

**Adapt**  
**Apply**  
**Transfer**  
**Review**

**Consider**  
What have I learnt from going through The Pit? How can I apply this new learning to another context? Now I'm ready for the next learning challenge.
